

Ropley Cricket Club Development Plan (2017 update)

BACKGROUND

Ropley cricket club was established in the 1900s to provide cricketing opportunities in the village. It began with one team playing friendly matches. Over the past 11 years the club has grown from this modest start to its current position of three adult teams playing in the Hampshire League, one adult friendly side, and a midweek league and cup team. The club has a thriving junior section providing cricket for Under 7 through to Under 19 age groups.

The club has the support of the local parish council and also works in partnership with the other village sports clubs. This association and commitment from the cricket club enabled the village to fund and build a new sports pavilion opened in 2005. The club shares the use of the Parish Council owned recreation ground.

In order to maintain cricket development the club re-laid the square in 2008 through fund raising and has been able to recruit an overseas player for the past 10 seasons. Over this period the club has not only seen the growth in the number of players both adult and junior but also in the number of players and parents willing to train as coaches, and assist in becoming helpers and sponsors who provide generous time and funds.

The most significant development over recent years has been the growth in the junior section. The club now has a membership of over 70 youngsters across the age groups Under 7 to Under 19. We attract players from the village and surrounding areas. In recent seasons the juniors have won a number of league trophies and we have representative players of the club in district teams. The club is keen to build on this success in the coming years.

RECENT DEVELOPMENTS IN PURSUIT OF OUR OBJECTIVES

- Built on the growing relationship with the local school and added the U7 age group and more female participation.
- Playing in the U19 20:20 league again in 2017.
- Saturday 1st X1 team competing in County Division 1.
- Overseas player part of set up for the club in the past 7 seasons.
- Our “One Game” pledge has resulted in more girls playing cricket. In 2017 we started an Under 11 female team.

- In 2013 our first girl was selected for both district and county teams.
- In 2016 the second set of sight screens were repaired.
- The club replaced the old heavy roller as part of an ongoing equipment maintenance plan.
- In 2014 the club purchased a set of covers paid for through grants and club funds.

CLUB MISSION STATEMENT
